M. Tech. Admission GATE Cut Off Scores for 2025 TA Category: Direct Admission Only Cut-Off based on: GATE papers Specialization: Centre for Climate Studies (CCS)

A. Admission Category: TA (Teaching Assistantship)

- 1) For TA category, the GATE papers are grouped in 'Four' groups depending on the number of candidates scoring more than 500 and as per past cut-off scores for main branches.
- 2) The number of seats in a group should not exceed the proposed number of seats in the group, unless seats remain vacant in other groups after multiple rounds of admission.
- 3) If all seats are not filled in a particular group, the vacant seats may be made available to the other groups after multiple rounds of admission.
- 4) If more than one student has the same GATE score in a group, the seat would be allotted to the student with highest preference for CCS
